

DYNASTY CIGARS

ADVENTURE ROLLED INTO PERFECTION

PRESS RELEASE

Dynasty Cigar Family set to be distributed internationally

A family of cigar brands from Nicaragua, the Dominican Republic and Mexico — distributed internationally starting now.

Dear editor,

Some cigar projects begin with a business plan; Dynasty Cigars began with a friendship. After years of working together in the premium cigar world, cigar entrepreneur *Marcello Corazza* and master blender and consultant *Claudio Sgroi* decided to transform their long-standing professional relationship into a shared project. The result is Dynasty Cigars — a crafted cigar brand that reflects both their experience and the personal bond that connects them.

The collaboration combines Corazza's international perspective on the cigar business with Sgroi's renowned expertise as a master blender. Over the years, their professional paths have crossed many times, creating a relationship built on trust, mutual respect and a shared passion for exceptional tobacco.

«Dynasty Cigars is the natural result of a friendship that has grown through many years in the cigar world. We wanted to create a journey that truly represents our shared passion for quality, craftsmanship and authenticity.»

— Marcello Corazza

«Crafted with heart and shared with friends. Dynasty Cigars reflects both our experience and the trust that comes from a lasting connection.»

— Claudio Sgroi

The current portfolio of Dynasty Cigars comprises two brand families:

- **Dynasty Leyendas** — with the lines **La Bucanera** (recognised by Cigars Lover Magazine with 90 points) and **El Loco** (#3 in the «Rest of the World» Awards 2025 by Cigars Lover Magazine, 91 points).
- **The Screen Society** — with the lines Director's Cut, Spotlight and The Alibi.

Additional releases are already planned as the brands continue to evolve.

Dynasty Cigars will officially present the project at **InterTabac 2026**, 15–17 September 2026 in Dortmund, Germany — Hall 4.D10.
